Hello again and a happy 1957 Iris Season to all my friends.

Please forgive this quickie list but I'm in the midst of moving (myself, not the Iris Patch). Thought you'd prefer an early list rather than a late catalog. Will try to do better next year.

Many of you have done my advertising for me by telling others when you were well satisfied with your orders. I surely appreciate this friendly thoughtfulness and say a big "Thank You." My little business could never have grown up so fast without your help; I'm very aware of this and am pleased as punch.

As usual you may choose one-third the amount of order in extra bonus plants. Your choices will be sent if stock permits. Please list a few second choices in case of sell-outs.

Shipping starts June 15, orders being filled in rotation.

Terms are cash with order, check or money order. (No stamps or C.O.D.)

California residents add 4 percent sales tax.

Postage paid on orders of \$7.50 or more. On orders under \$7.50, please include 50¢ handling charge.

Plants are guaranteed to be clean, healthy and true to name.
